

Prof BK Bachhawat International Travel Grant
for Young Scientists

Applications are invited from scientists working in India for an international travel grant of **Rs. 1,00,000/-** to attend a conference / workshop abroad during the **year 2016**.

The grant may also be used to pay for registration and accommodation if required.

Criterion for selection will be proven excellence of research work conducted in India as an independent investigator. The award will be decided by a Panel of distinguished scientists in India.

All scientists in the field of biological / biomedical sciences, **in permanent employment**, and under 42 years of age are eligible to apply with a relaxation of 5 years for women scientists.

Applications should contain a CV that includes a complete publication / patent list of work done as an independent investigator, a short paragraph highlighting the importance of the work, copies of 2 best papers and a declaration of age. Applications should be submitted electronically as an attachment file (in Word Format) to the address given below.

Applications will be received until **September 30, 2015**. The award winner will be notified by the end of December 2015 and may attend any conference/ workshop s/he chooses between **January and December of 2016**.

Payment will be made upon receipt of bills duly certified by the competent authority of the institute, along with a 2-page report and summary on the meeting, and a copy of the program schedule. The bills should be submitted within three months of the meeting.

Submit soft copies of the application as attachments to:
