

XXXVII Annual Meeting of Indian Academy of Neurosciences

Department of Anatomy and Physiology

All India Institute of Medical Sciences

Ansari Nagar, New Delhi, India

November 19 – 21, 2019

“NEURON TO BEHAVIOR”

With immense pleasure, we invite you to participate in the **XXXVII Annual Meeting of Indian Academy of Neurosciences**, which will be held at All India Institute of Medical Sciences, New Delhi. The main aim of the conference is to envisage the underlying neuronal mechanisms implicated for behaviour in health and disease. This will be explored through research lectures, presentations and discussions providing advanced and classical updates on fundamental and behavioural neurosciences.

Scientific Programme

The program will feature sessions and events that will focus on the scientific enrichment of delegates in terms of :

- ❖ Preconference workshops and CME
- ❖ Orations
- ❖ Plenary sessions
- ❖ Invited talks
- ❖ Oral & Poster presentations
- ❖ Young Scientist Colloquium
- ❖ Award sessions

ISN Sponsored Symposium

Neurochemical and molecular mechanism regulating pathogenesis of neurodegenerative and neuropsychiatric disorders

Guidelines for Abstract Submission

- ❖ Neuroscience related research should only be submitted.
- ❖ The presenting author must be an IAN member.
- ❖ Each delegate can submit only one abstract as a presenting author.
- ❖ Registration is compulsory prior to the abstract submission.
- ❖ The link to abstract submission will be emailed post-registration.
- ❖ The abstract should not have been presented in an earlier conference.
- ❖ The abstract must conform to ICMJE guidelines and must be ethically approved.
- ❖ Selection of abstracts for Awards/Oral/Poster categories will be as per the decision of the conference secretariat.

**Last date for abstract submission
16th August 2019**

Pre-conference Workshops 18th November 2019

- ❖ **Workshop 1:**
QEEG: a tool to assess cognition
- ❖ **Workshop 2:**
Behavioural studies on rodents including assessment of pain.
- ❖ **Workshop 3:**
Scientific Communications and Submitting Manuscript for Publication

Symposia

- ❖ Capturing neural activity to assess cognition
- ❖ Cellular and Molecular Mechanisms of Neurodegenerative Diseases
- ❖ Cerebellar and brain stem contribution to autonomic modulation
- ❖ Emerging techniques in neuroscience
- ❖ Mechanisms of synapse development & modulation
- ❖ Neuroinflammation and Neurodegenerative disorders
- ❖ Old Age & Brain Health
- ❖ Plasticity of the developing neuronal circuits
- ❖ Post-ischemic changes in brain and novel neuroprotective strategies
- ❖ Sleep in health and diseases: Unfolding schema for behavioural deficits

Awards

- ❖ Jyotsnamoyee-Raghnunath Bhattacharya Prize
- ❖ Tulsabai Somani Educational Trust Award
- ❖ D M Kar Prize
- ❖ Dr. S. S. Parmar Research Foundation (USA) Award
- ❖ Suttee Nag Prize
- ❖ Travel awards / fellowships

Registration Fee Information

Category	Up to 16 th August 2019	After 16 th August 2019	On Spot
IAN Member	INR 4500	INR 5500	INR 6000
Non-IAN Member	INR 5500	INR 6500	INR 7000
Accompanying Person	INR 2500	INR 3500	INR 4000
Students:			
1. IAN member	INR 2500	INR 3500	INR 4000
2. Non-IAN member	INR 3500	INR 4500	INR 5000

Chairpersons

Dr K K Deepak
Dr T S Roy

Chairperson

(*Scientific Committee*)

Dr Subrata Sinha

Organizing Secretary

Dr. Suman Jain
Dr. Simran Kaur
